EDUCATION

B.S. – Computer Science, expected Dec 2019 Azusa Pacific University

08/2016 – 12/2019

Key Coursework

- Senior Capstone Project
- Artificial Intelligence
- Data Structures
- Web Programming
- Physics for Science & Engineering
- Software Engineering
- Database Management Systems
- Compiler Construction
- Discrete Structures
- Probability & Statistics

PROJECTS & ACHIEVEMENTS

Senior Capstone Project (08/2018 – 05/2019)

- Designed and created a mobile app called "When&Where," used to build and collaborate on itineraries and plans
- Collaborated with six-person team using Agile/Lean methodologies as well as ReactNative and Google Firebase
- Served as Presentation Leader to facilitate excellent business and technical presentation of our work

ZuVenturez Business Competition (01/2019 – 04/2019)

- Competed in Azusa Pacific University's business pitch competition
- Created a pitch deck for "When&Where" and pitched it to panels of judges with assistance of a teammate
- Made it to the semi-finals of the competition

WORK EXPERIENCE

Music & Vocal Coach

Citrus College

08/2017 – 07/2018

Responsibilities:

- Assisted in preparing the Citrus College Pop/Rock Ensemble for shows, including a Hawaii Tour
- Worked one-on-one and with groups of students, teaching music performance and theory
- Students excelled and executed dozens of successful performances
